

Centre : 1921 - Tannum Sands State School

Year : 2004

Date

2004

Centre Name

Tannum Sands State School

Principal Name

Ken Mitchell

Committee Members

Steven White, Chris McMaster, Margaret Budgeon, Anthony Mann, Ian Tait, Wayne Jensen, Denise O'Mara

Vision

TSSS aims to achieve the best educational outcomes for all students through the development of ICT skills. As a school we acknowledge the important role IC'S play in the effective engagement of students and teachers in the development of life long learning and in the meaningful role they will play in society.

ICT's will also be used to allow teachers to network with other teachers outside and within the school, engaging in learning and development activities and forming networks.

Learning Agreement Report

Centre : 1921 - Tannum Sands State School

Year : 2004

Funding Source	Funding Type	Amount	Comments
Systemic	ICTs for Learning Grant	\$38,229.00	
Systemic	ICT Innovator Grant	\$2,000.00
